| Suitable for lamps up to EEC | A                                                                                   |
| Light distribution type 1    | direct-indirect                                                                     |

With the plaster lamp GL 103 T5, you own a highly individual ceiling luminaire with puristic design. Prepared for the use of T5 fluorescent tubes it is ready for direct connection to 230V mains supply thanks to the incorporated electronic ballast. Some sandpaper is included in the package and used for surface cleaning. After priming it can easily be painted over with standard wall paint. This luminaire is compatible with bulbs of the energy classes: B - A
