With the plaster lamp series PLASTRA BOX you own a highly individual pendant lamp with puristic and clear design. Prepared for the use of up to three GU10 halogen or LED light sources, PLASTRA BOX is ready for direct connection to 230V mains supply. The fitting is fully adjustable. Like all other plaster lamps in our range, also PLASTRA BOX can easily be painted over with standard wall paint after priming. This luminaire is compatible with bulbs of the energy classes: E - A++
