Suitable for lamps up to EEC	A++
Light distribution type 1	direct-indirect

The extravagant wall luminaire RED is equipped with a red glass shade opening upwards. The frosted glass cylinder placed on the inside of the red glass bowl hosts the warmwhite LED light source and provides glare-free illumination. The RED wall luminaire is completed by a rectangular, black base and mounting plate. Thanks to the already incorporated high-voltage LED, RED is ready for direct connection to 230V mains supply. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
