The distinctive LED up/down wall mounted luminaire ASSO is equipped with an ultra-modern, powerful COB LED which emits its warm white light indirectly. Thus it is ideal for glare-free lighting of stairs, staircases and rooms. Due to the incorporated constant current LED driver, placed within the canopy, the electrical connection is made directly to 230V mains supply. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
