The LED DOWNUNDER MINI recessed wall luminaire is made from aluminum and available in white and silvergrey colour version. The cup-shaped recess above the embedded Power LED source is held in either warm or pure white light colour for a pleasant, indirect illumination. To operate the LED DOWNUNDER MINI, a suitable LED driver is required providing 350mA. A suitable mounting frame for installation in masonry is available on accessory. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
