| Catalogue                    | BIG WHITE 2015, Page 323  |
| Type of lamp                 | LED lamp  |
| Lamp                         | COB LED 30,5W   |
| Number of light sources      | 1   |
| Lamp included                | Yes   |
| Tilt range                   | 90 Degree   |
| Rotation range               | 350 Degree  |
| Length                       | 15 cm   |
| Height                       | 16 cm   |
| Diameter                     | 9 cm  |
| Net weight                   | 1.03 kg   |
| Gross weight                 | 1.133 kg  |
| Voltage                      | 230 Volt  |
| Max. wattage                 | 32.9 Watt   |
| Protection class             | I   |
| Beam angle                   | 60 Degree   |
| Material                     | aluminium   |
| Colour                       | white   |
| Way of mounting              | track system mounting   |
| Remark 1                     | The mounted adapter is suitable for all conventional 3 circuit tracks               |
| Remark 2                     | Energy labels in your language are available in the Service Area sub point Download |
| Average lifespan             | 30000 Hours   |
| Colour temperature           | 3000 Kelvin   |
| Colour rendering index       | 80  |
| Luminous flux                | 3400 lm   |
| Suitable for lamps from EEC  | A   |
| Suitable for lamps up to EEC | A++   |
| Light distribution type 1    | direct  |

Adjustable spotlight STRUCTEC with suitable adapter for the 3-circuit high-voltage track system. Designed as a visually attractive but discreet, high-performance LED spot for shops and exhibitions it features multiple beam angles and colour versions and is equipped with a high-performance COB LED chip, with either 2300lm or 3400lm luminous flux. The longevity of the module is ensured by integrating a proper heatsink into the existing design. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
