Remark 3	Energy labels in your language are available in the Service Area sub point Download
Suitable for lamps from EEC	E
Suitable for lamps up to EEC	A++
Light distribution type 1	direct
Light distribution type 3	rotationally symmetric

The double-headed high-voltage pendant luminaire AIXLIGHT DUO ES111 is designed for high-voltage ES111 halogen lamps. Thus, this pendant luminaire is ready for direct connection to 230V mains supply. The lamp holders are gimbal-mounted, what guarantees the individual orientation of light. This luminaire is compatible with bulbs of the energy classes: E - A++
