Light distribution type 3	rotationally symmetric

Four-headed, high-voltage spotlight KARDATRACK GU10/4 with suitable adaptor for the 3-circuit high-voltage track system. Due to the in-frame position of the two lampholders they remain individually adjustable. The incorporated GU10 lampholders make KARDATRACK GU10/4 ready for halogen and LED lamps with a maximum diameter of 5cm. This luminaire is compatible with bulbs of the energy classes: E - A++
