The high-voltage recessed wall and ceiling luminaire AIXLIGHT FLAT is equipped with gimbal-mounted lampholders and designed for the use of high-voltage ES111 halogen lamps. The inner side of housing made from aluminum and steel is painted black, providing a look of levitating lamp heads. The chrome-plated frame visually completes the AIXLIGHT MOD. The fitting is ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: E - A++
