

PL MODULE for AIXLIGHT PENDANT SYSTEM

silvergrey, 2x 2G11, max. 36W, adjustable, 60°

Article number	154804
Catalogue	BIG WHITE 2015, Page 106
Type of lamp	Conventional lamp
Lamp	TC-L 36W compact fluorescent bulb
Lampholder / Socket	2G11
Number of light sources	2
Lamp included	No
Length	50 cm
Width	18 cm
Height	7.5 cm
Net weight	3.244 kg
Gross weight	2.249 kg
Voltage	230 Volt
Max. wattage	72 Watt
Protection class	I
Material	aluminium
Colour	silvergrey
Way of mounting	ceiling mounting pendulum
Remark 1	180 cm connection lead included
Remark 2	Only operate with frames 154704 or 154714
Remark 3	Electronic ballast incorporated
Remark 4	Energy labels in your language are available in the Service Area sub point Download
remark5	Needs 50cm space in the basic frame
Energy class ballast	A2
Suitable for lamps from EEC	A
Suitable for lamps up to EEC	A
Light distribution type 1	direct
Light distribution type 3	axisymmetric

In timelessly modern design we offer our AIXLIGHT PENDANT SYSTEM providing functional elegance combined with efficient technology. The basic frames are available in either 110cm or 160cm in length and used for the free placement of the light modules of choice. These are available as QRB111, G5 or metal halide version and form for the perfect solution for almost every application. The lampholders can be adjusted apart from each other and thus provide best illumination attributes. If necessary, a suitable ballast is already incorporated with the modules. The AIXLIGHT PENDANT SYSTEM is ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: A - A
