Our round constructed high-voltage table luminaire LASSON TL-1, equipped with a black shade, was designed for interior use and standard E27 incandescent or energy-saving lamps. The ever-changing appearance of the LASSON TL-1 table luminaire originates from tensioned textile threads, where the emitted light creates an inimitable experience. LASSON TL-1 is supplied ready for direct connection to 230V mains supply. A connection lead with incorporated plug and foot switch is included. This luminaire is compatible with bulbs of the energy classes: E - A+
