Our high-voltage wall luminaire SOPRANA WL-1, available in either black or white fabric, is designed for indoor use and standard E27 incandescent or energy-saving lamps. The clear structure of the lampshade with decorating, reinforcing elements creates a harmonic overall picture by homogeneous and glare-free illumination of the lamp shade. SOPRANA WL-1 is supplied ready for direct connection to 230V mains supply and equipped with a switch. This luminaire is compatible with bulbs of the energy classes: E - A+
