The symbiosis of the chosen materials steel and leather stands for a timelessly, modern aesthetic. Due to the specially designed lamp shade, the luminaire gets its special and unique charm. The opacity of the shade is intended. Our CELLINERO table lamp is designed for the use of standard E27 incandescent bulbs and supplied ready for direct connection to 230V mains supply via connection lead with integrated plug and switch. This luminaire is compatible with bulbs of the energy classes: E - A+
