Remark 3	Energy labels in your language are available in the Service Area sub point Download
Suitable for lamps from EEC	E
Suitable for lamps up to EEC	A+
Light distribution type 1	direct
Light distribution type 3	rotationally symmetric

The FORCHINI M pendant luminaire PD-2 is the smaller version of this series and is equipped with an aluminium-made lampshade which is connected to the chrome-plated ceiling canopy via a fabric cable held in luminaire colour. Optionally available with black or white outer paint you can freely choose between the inner finishes in silver or gold colour finish. In addition to optical aspects, the reflective inner surface also affects the light colour. The FORCHINI M PD-2 is supplied ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: E - A+
