

## AVENTO 110 PD

LED Indoor pendant light, black/gold, 3000K

Article number	155970
Feed-in capability	No
Lamp included	No
Length	110 cm
Width	30 cm
Height	20 cm
Pendant length	200 cm
Net weight	9.122 kg
Gross weight	12.665 kg
Voltage	220-240V ~50/60Hz sec. 700mA
Protection class	I
Beam angle	50 Degree
Material	Aluminium
Colour	black/gold
Average lifespan	40000 Hours
Colour temperature	3000 Kelvin
Colour rendering index	80
Luminous flux	2400 lm
Energy efficiency class	A++
Way of mounting	Surface mounted / Ceiling mounted
Form	square
Light distribution type 1	direct
Light distribution type 2	symmetric

The designer pendants in the AVENTO series have one or two powerful, TRIAC dimmable premium LED modules. The combination of the warm-white LED colour and the gold interior finish provides pleasant, well-being illumination. This aluminium pendant, which was designed for sophisticated lighting solutions, has an adjustable 2 metre long connection lead and appropriate steel wire suspensions. Thanks to the installed LED driver, the luminaires are suitable for direct connection to a mains voltage supply of 230V - 240V.
