

CYGNIS PD-1

pendant, LED, 3000K, white, 30W

Article number	157631
Number of light sources	4
Max. wattage	30 Watt
Lamp	SMD LED Module
Light distribution type 1	Direct
Light distribution type 3	Axis-symmetric
Product family	Cygnis
Feed-in capability	No
Lamp included	No
Length	121 cm
Width	5 cm
Height	0.9 cm
Pendant length	200 cm
Net weight	1.716 kg
Gross weight	2.199 kg
Voltage	120-277~50/60 . 500 Volts
Protection class	I
Beam angle	105 Degree
Material	Aluminium
Colour	white
Way of mounting	Surface ceiling mounting (pendant)
Average lifespan	30000 Hours
Colour temperature	3000 Kelvin
Colour rendering index	90
Luminous flux	2100 lm
Energy efficiency class	A++
fastCalcEnabled	Yes
ranking	400
Catalogue page	BIG WHITE 2017: 116

The CYGNIS PD-1 pendant offers a warm white LED light with excellent illumination properties in addition to its minimalistic design. The luminaire's four, built-in LED modules deliver a pleasantly warm lighting experience. The total power consumption of approx. 30 Watts only also shows its excellent energy efficiency. With a wide beam angle and a luminous flux of approx. 2100 lumens and high colour rendering (CRI90), you can use it as a background lighting element above dining tables, desks or similar objects in the decorative living area without any problems. The CYGNIS PD-1 pendant comes in white and silver-grey. Thanks to its built-in dimmable LED converter (dimmable 1-10v) and the 2 m pendant suspension, the luminaire is delivered so that it can be directly connected to the 230V mains supply:
