

CYGNIS PD-1

pendant, LED, 3000K, silver-grey, without ceiling plate for hollow ceilings, 30W

Article number	157644
Number of light sources	4
Max. wattage	30 Watt
Lamp	SMD LED Module
Light distribution type 1	Direct
Light distribution type 3	Axis-symmetric
Product family	Cygnis
Feed-in capability	No
Lamp included	No
Length	121 cm
Width	5 cm
Height	0.9 cm
Pendant length	200 cm
Net weight	0.828 kg
Gross weight	1.334 kg
Voltage	100-240 ~50/60 . 500 Volts
Protection class	I
Beam angle	105 Degree
Material	Aluminium
Colour	Silver-grey
Way of mounting	Surface ceiling mounting (pendant)
Average lifespan	30000 Hours
Colour temperature	3000 Kelvin
Colour rendering index	90
Luminous flux	2100 lm
Energy efficiency class	A++
fastCalcEnabled	Yes
ranking	400
Catalogue page	BIG WHITE 2017: 116

The CYGNIS PD-1 pendant offers a warm white LED light with excellent illumination properties in addition to its minimalistic design. The luminaire's four, built-in LED modules deliver a pleasantly warm lighting experience. The total power consumption of approx. 30 Watts only also shows its excellent energy efficiency. With a wide beam angle and a luminous flux of approx. 2100 lumens and high colour rendering (CRI90), you can use it as a background lighting element above dining tables, desks or similar objects in the decorative living area without any problems. The CYGNIS PD-1 pendant comes in white and silver-grey. Thanks to its built-in dimmable LED converter (dimmable 1-10v) and the 2 m pendant suspension, the luminaire is delivered so that it can be directly connected to the 230V mains supply:
