The dimmable I-PENDANT PRO Premium pendant comes in white and silver-grey. Thanks to the built-in premium LEDs and their particularly high luminous flux, the luminaire is suitable for all applications. This variant is supplied including the connection lead and suspension with a length of 1.5 m. The installed 1000mA driver ensures that it can be directly connected to the 230V mains supply. An aperture angle of under 19 is achieved here.
