Remark 4	Energy labels in your language are available in the Service Area sub point Download
Energy class ballast	A2
Suitable for lamps from EEC	A
Suitable for lamps up to EEC	A+
Light distribution type 1	direct
Light distribution type 3	rotationally symmetric

In keeping with the basic design of the AIXLIGHT R series we offer our AIXLIGHT R2 DUO HQI111, electively available in black, white or silvergrey colour version. A high-voltage pendant luminaire for the use of HQI-T metal halide lamps. The lampholders are gimbal-mounted, what guarantees the individual orientation of light. Thanks to the already incorporated ballast, AIXLIGHT R2 DUO HQI111 is ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: A - A+
