As a surface-mounted luminaire, our TRISTAN T8 series provides both simple and effective grid luminaires for homes and offices that unite clear design lines and useful value. The fitting is equipped with a highly polished reflector ensuring a downwardly emitted, glare-free light for use at workstations, in hallways, conference rooms and more. By the incorporated electronic ballast, TRISTAN is delivered ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: A - A
