Our DURANZ pendant luminaire convinces by clear shapes and is designed for the use of two energy-saving T5 fluorescent tube lamps. Thus, it provides you with the optimal conditions for efficient and stylish use. DURANZ is equipped with an acrylic cover that allows an optimal illuminated workstation with absolutely glare-free illumination properties. Due to the already incorporated electronic ballast and supplied with exposed cable ends, the DURANZ pendant luminaire is ready for direct connection to 230V mains supply. A suitable canopy is available on accessory. This luminaire is compatible with bulbs of the energy classes: A - A+
