The HANG UP2 pendant offers a warm-white LED light with excellent lighting properties. The built-in LED module ensures a comfortable, warm light. The total power consumption of approx. 41 Watts also shows its excellent energy efficiency. With a wide beam angle and a luminous flux of approx. 4000 lumens, you can use it as a background lighting element above dining tables, desks or similar objects in the decorative living area without any problems. The HANG UP2 pendant comes in black, white and silver. Thanks to its built-in dimmable LED converter and the 1.5 m pendant suspension, the luminaire is delivered so that it can be directly connected to the 230V mains supply: A - A++
