Beam angle	120 Degree
Material	Plastic PC
Colour	white
Way of mounting	Surface ceiling mounting
Average lifespan	30000 Hours
Colour temperature	3000 Kelvin
Colour rendering index	80
Luminous flux	2300 lm
Energy efficiency class	A++
Light distribution type 1	Direct
fastCalcEnabled	No
ranking	300
Catalogue page	MORE WHITE 2017: 95

With its timeless, understated design, the SIMA LED wall and ceiling light is a popular solution for the most varied applications. The luminaire has an acrylic glass cover and also comes in a square variant. In addition, the water-proof luminaire is fitted with a spacer for cable surface mounting. The 120° wide beam characteristic of the powerful LED module gives homogeneous illumination. The built-in dimmable LED driver allows direct connection to a 230V mains supply.
