| Light distribution type 3    | rotationally symmetric                                                              |

The high-voltage pendant luminaire TONGA 4 with incorporated adaptor for the EASYTEC II high-voltage system. Made from aluminium, TONGA 4 is equipped with a ceramic-made, satined shade and is suitable for the use of either incandescent, LED or energy-saving lamps thanks to the incorporated E14 high-voltage socket. The suspension measures 150cm in length. This luminaire is compatible with bulbs of the energy classes: E - A+
