HIGHLIGHT, 240V pendant with suitable adapter for the EASYTEC II track system. The spherical luminaire is made of steel and equipped with a textile-coated cable, and thanks to the built-in GU10 socket, it is suitable for both halogen and LED lamps with a diameter of 11.1 cm. The pendant length of the luminaires available in several colour versions is 1.5 m. This luminaire is suitable for lamps of the energy classes: E - A++
