Light distribution type 3	rotationally symmetric

The high-voltage pendant luminaire BIBA with incorporated adaptor for the EASYTEC II high-voltage system. Made from steel and satined glass, BIBA is suitable for the use of either incandescent or energy-saving lamps thanks to the incorporated E14 high-voltage socket. Available in different colour versions, the suspension measures 150 cm. This luminaire is compatible with bulbs of the energy classes: E - A+
