Light distribution type 3	rotationally symmetric

Portable spotlight of the NAUTILUS SPIKE series for in-ground use. The electrical connection is made to 230V mains supply via connection lead. Its IP65 rating makes it suitable for outdoor use. The spike-mounted lamphead is adjustable for best illumination. The NAUTILUS SPIKE series further includes a version with a larger lamp head for GU10 energy-savers as well as a stainless steel Version. This luminaire is compatible with bulbs of the energy classes: E - A++
