

TRAIL-LITE recessed luminaire

stainless steel 316, 4 LED, 0, 3W, blue

Article number	227467
Catalogue	BIG WHITE 2015, Page 663
Type of lamp	LED lamp
Lamp	LED
Number of light sources	4
Lamp included	Yes
Installation diameter	4 cm
Installation depth	7 cm
Diameter	6 cm
Net weight	0.169 kg
Gross weight	0.207 kg
Voltage	12 Volt
Max. wattage	0.3 Watt
Protection class	III
Material	stainless steel 316
Material	Stanness Steel 616
Colour	stainless steel
Colour	stainless steel
Colour Way of mounting	stainless steel recessed ground mounting
Colour Way of mounting Remark 1	stainless steel recessed ground mounting Operate only with a conventional transformer
Colour Way of mounting Remark 1 Remark 2	stainless steel recessed ground mounting Operate only with a conventional transformer Sleeve (Ø / H): 4 / 7 cm

The multiple LED fitted floor and wall luminaire TRAIL-LITE can be used for outdoor applications by its IP65 protection. We alternatively offer other light colours and satined or faceted glass covers. For simplified mounting, an installation sleeve is included. The electrical connection is made through the supply of a separately available and toroidal 12V low-voltage transformer. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
