Remark 4	Energy labels in your language are available in the Service Area sub point Download
Suitable for lamps from EEC	A+
Suitable for lamps up to EEC	A+
Light distribution type 1	direct

The walkable high-voltage floor luminaire with a square stainless steel cover and partially satined glass is designed for the use of LED insert 227531/-2. Rated IP67 it is suitable for outdoor use. The electrical connection is made directly to 230V mains supply via the incorporated transformer and connection lead. For simplified mounting, a suitable installation housing is included. Alternatively to the ground, the luminaire can also be used as recessed wall luminaire. This luminaire is compatible with bulbs of the energy classes: A+ - A+
