Mobile lighting object with a closed, high-strength lamp shade made of opalescent plastic. Thanks to its triangular shape, the KENGA luminaire can be used as a seat (max. 130kg). The seating area is indicated by a triangular artificial wood covering. Thanks to having protection class Ip54, as well as the connection lead and mains plug, the luminaire can be used in almost any location and is a visual highlight in every garden. This luminaire is suitable for lamps of energy classes: A - A+
