fastCalcEnabled	No
ranking	400
Catalogue page	MORE WHITE 2017: 35

Single-headed luminaire of the VANO series made from aluminium for area or display and advertising board illumination. The dimmable VANO WING LED is suitable for wall, ground and ceiling mounting. Thanks to the integrated asymmetrical reflector, an even and wide-area lighting is possible even at small separation distances to the illuminated surface. Thanks to the built-in LED driver, the luminaire can be connected directly to the 230V mains supply. With protection class IP65 it is suitable for outdoor use. An installation bracket is available for simple installation. This luminaire is compatible with bulbs of the energy classes: A - A+
