Manufactured from stainless steel, the opal PC surface of the TRUST floor luminaire is closed by a hemispherical stainless steel cap. Rated IP55, it is suitable for outdoor use. We additionally offer a spike and a junction box for secure electrical connection within the bollard. The electrical connection of the luminaire is made directly to 230V mains supply. Further accessory is a stainless steel grid to change the light effect. The TRUST series further includes wall luminaires making it universally applicable. This luminaire is compatible with bulbs of the energy classes: A - A+
