ranking	400
Catalogue page	BIG WHITE 2017: 649

With the stainless steel TRUST LED wall light, the opalescent PC light surface is enclosed by a stainless steel cap. With protection class IP55, it is suitable for outdoor use. The electrical connection is made directly to the 230V mains supply. A stainless steel grid is available as an optional accessory. The TRUST series contains other floor stands and can therefore be used universally. This luminaire is fitted with a powerful 8.6W LED.
