| Light distribution type 3    | axisymmetric                                                                        |

The aluminium-made torch luminaire of the OVIS series emits its light directly and indirectly from two opal illuminated surfaces of PC. Rated IP55, it is suitable for outdoor use. Available in different colour versions, the electrical connection is made directly to 230V mains supply. The OVIS series further includes floor and wall luminaires making it universally applicable. This luminaire is compatible with bulbs of the energy classes: A - A+
