Outdoor spotlight of the SXL series for E40 discharge lamps. Thanks to the asymmetrical reflector it is suitable for demanding applications. The spot is made from aluminum and suitable for mounting on walls, floors and ceilings via the incorporated bracket. The electrical connection of the adjustable spot is made directly to 230V mains supply via the integrated ballast. Available in different colour versions, the IP65 rating makes it suitable for outdoor use. The SXL series further includes versions for different types of discharge lamps. This luminaire is compatible with bulbs of the energy classes: A - A+
