Remark 4	Energy labels in your language are available in the Service Area sub point Download
Suitable for lamps from EEC	A
Suitable for lamps up to EEC	A+
Light distribution type 1	direct-indirect
Light distribution type 3	axisymmetric

The square wall luminaire BACCO is equipped with an opal, self-supporting and framed PC light surface, which is in contrast to the anthracite-coloured housing. A junction box is included. By means of the beveled mounting plate, the fitting reaches an installation angle of 45°. The installation can be extended by floor luminaires of the series. This luminaire is compatible with bulbs of the energy classes: A - A+
