Lampholder / Socket E27

Number of light sources 1

Lamp included No

Height 25.5 cm

Diameter 14.6 cm

Pendant length 250 cm

Net weight 1.878 kg

Gross weight 2.26 kg

Voltage 220-240V ~50/60Hz

Max. wattage 60 Watt

Protection class I

IP-rating IP 44

Energy efficiency class A++

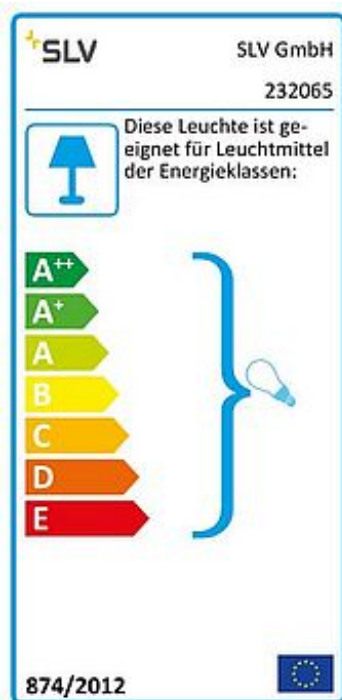

Light distribution type 1 diffuse

Lamp A60

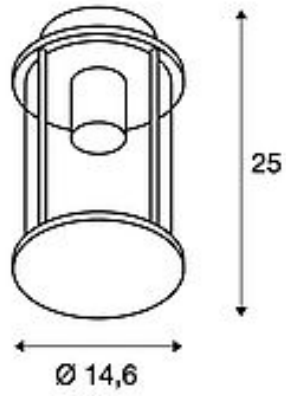

Form round

Material Aluminium/glass

Type of plug IP Schuko plug

The PHOTONIA pendant is made of aluminium and clear glass which completely encloses the lamp. Thanks to the position of the built-in sockets, the mobile luminaire produces a homogeneous cone of light. The PHOTONIA luminaire is supplied with an open cable end, and can be optionally fitted with an appropriate ceiling plate. It is suitable for use outdoors thanks to its IP44 protection class. The electrical connection is made directly to the 230V mains supply. This luminaire is compatible with bulbs in energy classes: E - A+
