The floor lamp of the SQUARE series is available in three different heights and is made from brushed aluminum with an acrylic cube hosting the bulb. Rated IP44, it is suitable for outdoor use. The electrical connection is made directly to 230V mains supply. The SQUARE series further includes ceiling and wall luminaires making it universally applicable. For simplified mounting, a spike and concrete anchor set are optionally available. This luminaire is compatible with bulbs of the energy classes: A - A+
