**Kriss - 70W HIT(BLV)****Product code:**

5689

Technical description:

Outdoor wall luminaire made of aluminium. The optic system features a biconvex glass lens both in the upper and the lower section of the optical assembly. This system creates a concentrated light beam up to 10 meters high. The control gear is contained in a die cast aluminium box used for wall fixing. The box has a hole protected with plastic material for the wiring. The body of the fitting is fixed to the plate with a screw, allowing for easy lamp replacement.

Installation:

Fixed to the wall with fischer screws.

Dimension:

280x150mm H 195mm

Colour:

White (01)|Black (04)|Grey (15)

Weight [Kg]:

5,2

Mounting:

Wall surface

Wiring:

Wiring for discharge lamps contained in the box.

Complies with EN605981 and pertinent regulations
