Module for continuous line - Frame Down - General Light - L 3596

Product code
QA89

Technical description

Extruded aluminium intermediate profile - Frame version with contact frame; this allows continuous lines to be created with other intermediate profiles and an initial profile (required). Methacrylate opal screen for diffused general light; screen set up for connecting several lengths by overlapping.

Installation

This can be recessed using the brackets on the profile; the mechanical systems for connecting the subsequent profiles are included in the package.

Dimension (mm)

3596x75x100

Colour

White (01)

Weight (Kg)

7.4

Mounting

ceiling recessed|ceiling pendant

Wiring

Set up exclusively to house L 3588 triple-length LED modules.

Notes

Take care with the system configuration. To make continuous lines of lighting, use the intermediate modules. To complete a continuous line correctly there must always be an initial module at the start or end of the composition.

Complies with EN60598-1 and pertinent regulations

IP20
