

## IVY I, Design by Vittorio Massimo

Model IVY I

IVY is a minimal, geometric lighting piece composed of a ring hanging on a cable, which gives power to a made to measure LED module. Designed with single and double cables (IVY I and IVY V respectively), IVY responds to the need for flexibility, an increasingly contemporary theme in architectural practice and restoration, allowing the luminaire to be released from its ceiling derivation.

Cluster suspension lamps must be installed on a canopy: find out more on lodes.com/en/canopies
