

LOTIS TUBED SUSPENSION GU10

Lotis tubed is the surface mounted version of the standard Lotis recessed spot. The coloured cylinder accommodates the Lotis spot. Lotis tubed is available in different heights - from 130 mm to 190 mm. The largest size also comes in a suspension version. Combining both versions creates depth in your rooms and spices your interior. Lotis tubed allows you to play with colour: go for a contrast between black, white and gold or choose a more uniform look instead.
