

FLUSH GATE 2X TC-L 36W GI

It's like walking towards the light at the end of the tunnel: Flush gate will open the doors to an unknown destination. The seamless, rectangular recessed panel allows the lighting effect to enhance the architecture of the room. Flush gate has compact fluorescent lamps and a matte polycarbonate panel to achieve a diffused effect. Available in various sizes. Also available with directional spotlights, as Flush dynamix.

Art. Nr. 10890301
