

MINI MULTIPLE 4X LED RETROFIT

Twenty years after its initial launch, Mini multiple is still a coveted luminaire. Mini multiple is the reference of our architectural lighting portfolio. The technology is on full display and allows this luminaire to fit well into both a minimalist and an industrial-chic environment. The gimbaled system allows you to direct the light source at any angle of your choice. Mini multiple has a very subtle alu trim. Available in one-, two-, three- and four lamps versions in different colours. Connect Mini multiple with Smart by adding the Smart frontrings to your recessed spot.
