

LOTIS SQUARE FOR LED GE

Lotis square is a compact, square version of our successful round Lotis series. The bulb sits deep down in a conical cup, which means it is less visible. Besides the regular version, there is also an IP version for use in damp rooms or outdoor environments. Also available in a Lotis square for LED version, using our M-LED 50 module. This allows you to choose from a large range of lighting colours and three different beam angles (spot, medium or flood).

Art. Nr. 12619002

SPECIFICATIONS

Lamp	1x LED (not incl.)
Gear / Transfo	LED gear not incl.
Cut-out size	178 w 78 h 95
Weight	0.17kg
Min. Distance	0.1 m
Power supply
