GEORGE IP54 GU10

Outdoor butler George creates an atmospheric, indirect light which emanates from the upper housing and glides along the inside. Colourful or plain? The options are endless and despite its robust cylinder shape, there is something light about George. This is because of the recessed base, which makes George look like it is floating. Finally, George does not mind the rain: thanks to the rounded top, all water simply flows down this light fitting. Designed by Rotorgroup.

Art. Nr. 12710081

SPECIFICATIONS

Lamp	1x QPAR 16 Gu10 max. 35W
Gear / Transfo	
Weight	3.6kg
Min. Distance	0.1 m
Power supply	230V
IP	IP54
Glow Wire Test	960°
CRI	100
Lumen	204 Lm
Efficacy	6 Lm/W
UGR	24
Adjustability	Not Applicable
