

WINK 115 LED GE

Wink may be recessed, and therefore discreet, but its technical ingenuity is nothing short of remarkable, so is its sense of humour. As its name suggests, it likes to wink at you. The streamlined design, where elegance meets high-quality finish, results in a fixture that is half hidden in the ceiling and half peeking out. It has all the features to become a new Modular icon. With the debut of the Wink 82, we are also presenting a completely new Wink accessory: Wink flange. Compatible with all 3 Wink lamps, Wink flange adds an extra accent in the form of a low ring around the spot, rather than a completely seamless install. Its precision-designed conical shape complements the spot, enabling it to have a quiet conversation with the ceiling.

Art. Nr. 13070409

SPECIFICATIONS

Lamp	1x LED Array		
Gear / Transfo	LED gear not incl.		
Cut-out size	ø 146 h 100		
Weight	0.86kg		
Min. Distance	0.1m		
IP	IP54		
Glow Wire Test	960°		
CRI	90		
Power supply	350mA 29.1Vf	500mA 29.9Vf	700mA 31Vf
Connected load	11W	16.2W	23.4W
Lumen	952lm	1306lm	1738lm
Efficacy	87lm/W	82lm/W	76lm/W
UGR	20	21	22
Adjustability	h 35°		
Remark	! 3500K and 4000K on request ! must be used with recessed ring or flange
