

SPEKTRA TRACK LED 15° - 55° DALI GI

“We believe in objects with meaning, so that they give meaning to everyday lives,” says French designer Florent Coirier. Inspired by this belief, Coirier designed Spektra: a very precise Modular trackspot for retail environments. Spektra is the first trackspot in the Modular portfolio with an adjustable zoom lens. Users can easily adjust the beam angle and change the inclination of the luminaire, ensuring that it only highlights targeted areas. The light quality is excellent (CRI 90 or more), mimicking natural light – just what retailers need to put their products in the spotlight.

Art. Nr. 13262109

SPECIFICATIONS

Lamp	1x LED Array 26.8W
Gear / Transfo	LED gear incl.
Weight	2.67kg
Min. Distance	0.1 m
Power supply	230V
IP	IP20
Glow Wire Test	960°
Lifetime	L80 B20 @ 50.000 hrs
CRI	90
Lumen	2043 Lm
Efficacy	68 Lm/W
UGR	11
Adjustability	h 360° v -90°/+90°
