

K77 ADJUSTABLE

K77 ADJUSTABLE LED GE

K77 was developed as an extension to K72. With the LED dedicated rework of the K we honour an icon. A timeless, adjustable spot for general/accent lighting product that will remain in the Modular portfolio for many years to come. Just like its K72 counterpart, K77 is available in donkey grey and white structure.

Art. Nr. 14050109

SPECIFICATIONS
