

VAEDER SUSPENSION (POWER FEED SURFACE) LED DALI/PUSHDIM/1-10V GI

With a name derived from the English verb 'evade', it is clear from the start that Vaeder will be miles ahead of anything average. This fixture feels equally at home in an energy-efficient, ergonomic office environment and in a home office. Its characteristic honeycomb structure in combination with a wafer-thin diffuser minimizes glare, whilst Vaeder's ground-breaking LED technology results in an energy-efficient and high performance office fixture, compliant with the official EN 12464-1 standard.
